

Annex 502.3

**Procurement - Provisions for Entities of a Commercial or Industrial Nature
or Those Which Have Been Granted Exclusive Rights by a Party**

A. Scope and Coverage

2. This Annex applies to measures, related to the procurement within Canada of goods, services and construction, which are adopted and maintained by the entities covered by this Annex, where the procurement value is:

- (a) \$500,000 or more in cases where the procurement is for goods or services;
- (b) \$5,000,000 or more in cases where the procurement is for construction.
